**President's Message**

“The Purpose of Art is washing the dust of Daily Life off our Souls”

Pablo Picasso

Happy, hot, humid, summer days to you all! Although the close of summer is approaching fast, I hope you take time over the next few weeks to really relax during the so-called dog days of summer.

Attending our first social of the year is a great way to start the new Broward Women's Alliance year as well as an opportunity to meet other women in our community. Sign up on the BWA website or email Debbi to register. See the details below.

Our September 17<sup>th</sup> luncheon meeting is previewed below as well. This is a great opportunity to bring guests to a fabulous event and support our art community at the same time.

We will again hold a raffle at the September meeting and appreciate your participation. The raffles continue to be the main source of funding for our scholarship awards and your support makes it possible.

The entire Executive Board is looking forward to seeing everyone soon!

Diana Plucienkowski  
President 2017-2018

The Broward Center for the Performing Arts is accepting applications from high school students interested in the arts and journalism for its **2018–2019 Broward Center Teen Ambassador Program** for the tenth year. **Deadline is**

**August 24 by 5 p.m.** High school students attending public, private or home school in Broward, Miami-Dade and Palm Beach counties are eligible to join the program.

Teen Ambassadors are responsible for sharing with the community their experiences at the Broward Center and affiliated venues by posting their experiences to the teen ambassador website and their personal social media outlets. Detailing their experiences through written reviews, these students offer a teenage perspective as they gain exposure to a variety of performance styles. Teen Ambassadors are provided with behind-the-scenes experiences and exclusive educational opportunities, including introductions to performances in every artistic discipline. Acting as in-house theatre critics, these students must demonstrate a dedication to both the performing arts and writing. Students earn community service hours for participating in the program.

Visit [BrowardCenter.org/teenambassador](http://BrowardCenter.org/teenambassador), call 954.468.2689 or e-mail [teenambassador@browardcenter.org](mailto:teenambassador@browardcenter.org) for more information.
